ILTM is a leader in the global luxury travel industry, playing a pivotal role in gathering information from around the world on the travel trends and lifestyle of the HNW. Ohta Publications, with over 50 years experience as a leading force and media dedicated to the hospitality industry, is hosting this webinar to commemorate the ILTM partnership as their Japan Official Media; consisted of two parts:

1. Featuring ILTM: Asia Pacific and The Global Travel Recovery report and most current updates by ILTM, Barton author and JNTO; and
2. Insights from Japanese and Global luxury hospitality specialists, as the speakers share their experiences and forecasts post-COVID. Each presentation will be followed by a Q&A session inviting the audience.
